## PROFILE

As a passionate and innovative graphic/multimedia designer, I specialise in creating dynamic 2D illustrations, animations, short films, and promotional/creative videos, with experience in corporate design as well. Proficient in Adobe Photoshop, Illustrator, After Effects, and Premiere Pro, I fuse creativity with technical expertise to craft visually compelling and engaging designs that transcend the ordinary. Alongside my design skills, I bring a strong background in sales, both in-person and online, seamlessly integrating my understanding of market dynamics to drive engagement and conversions. With a keen eye for social media trends, I ensure that my work not only captivates but also reaches and resonates with the right audience.
